\*Updated April 10, 2022, for quarter ending March 31, 2022

CRRSAA and ARP Student Grant Programs:

Section 314 (d) (5) of CRRSAA requires that an institution receiving funding under section 314 (a) (1) and (a) (4) programs provide the same amount in financial aid grants to students from the new CRRSAA funds that it was required or which it would have been required to provide under its original Coronavirus Aid, Relief, and Economic Security Act (CARES Act) Student Aid portion award. The ARP, with some changes, is a continuation of the CRRSAA programs.

Under the CRRSAA and ARP (a)(1) and (a) (4) programs, student portion funds must be used to provide financial aid grants to students (including students exclusively enrolled in distance education) which may be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or childcare. In making financial aid grants to students, an institution of higher education must prioritize grants to students with exceptional need, such as students who receive Pell Grants.
